

Getting to Know the Daigas Group

A Path of Growth

Overcoming Difficulties with a Bold Spirit of Promoting New Initiatives

The Osaka Gas Group's gas business began with gas supply in 1905. In the over 110 years since, the gas business that started with lighting gas lamps has expanded into gas use for cooking, heating, hot water, and power generation, overcoming many obstacles as society evolved and lifestyles changed.

A Strong Relationship with Our Customers

With our corporate motto "Service First," we have built a strong relationship with customers by working closely with localities and customers themselves and by providing products and services that meet their needs. We use this strong relationship as a basis for expanding into new territories, from gas into electricity and home services to evolve into a corporate group that provides various products, services and solutions.
