

**Public notification relating to the Environmental Impact Assessment
Consideration Statement for [tentative name] Saga Karatsu City Offshore Wind
Power Project**

July 31, 2020
Osaka Gas Co., Ltd.
Acacia Renewables K.K

Osaka Gas Co., Ltd. (President: Takehiro Honjo, hereinafter, "Osaka Gas") and Acacia Renewables K.K. (CEO: Jun Ohashi, hereinafter, "Acacia") have, on this date, sent the "Environmental Impact Assessment Consideration Statement for [tentative name] Saga Karatsu City Offshore Wind Power Project" (hereinafter, "EIA Consideration Statement"), based on the Environmental Impact Assessment Law, to the Minister of METI¹ the Governor of Saga Prefecture, the Mayor of Karatsu City, the Mayor of Genkai Town, the Governor of Nagasaki Prefecture, the Mayor of Matsuura City, the Mayor of Iki City, and the Mayor of Hirado City.

In addition, we will carry out a public notification of the EIA Consideration Statement as follows below. For details please kindly refer to the Acacia homepage (<https://www.acacia-renewables.com/news-jap>. Publication planned on August 3, 2020) and the Osaka Gas homepage (https://www.osakagas.co.jp/company/renewable_energy. Publication planned on August 3, 2020).

Osaka Gas and Acacia signed an agreement to cooperate on the development of offshore wind power generation in Japan on March 9, this year.² Through continued stakeholder engagement of all relevant parties, starting with the local community, we will move responsibly towards the realization of this endeavor..

¹ Ministry of Economy, Trade, and Industry
