

**Osaka Gas to Start Accepting Applications for the “Online Medical Questionnaire Option,”
a New Optional Electricity Rate Plan for Clinics and Doctor’s Offices**

November 26, 2021

Osaka Gas Co., Ltd.

Daigas Energy Co., Ltd.

Osaka Gas Co., Ltd. (President: Masataka Fujiwara, hereinafter “Osaka Gas”) will start accepting applications for the “Online Medical Questionnaire Option” on December 1. This new optional electricity rate plan for clinics and doctor’s offices entitles its subscribers to use the Melp Online Medical Questionnaire, a service offered by Flixy Inc. (President: Kazutaka Yoshinaga, hereinafter “Flixy”), without the initial introduction cost. Daigas Energy Co., Ltd. (President: Masayuki Inoue, hereinafter “Daigas Energy”), a wholly owned subsidiary of Osaka Gas, will serve as the agency of Osaka Gas to sell this plan.

1. About the Melp Online Medical Questionnaire

Flixy’s Melp Online Medical Questionnaire is a service where a patient uses a PC or smartphone to fill out a questionnaire required for medical examination before visiting a clinic or doctor’s office. Answers to the questionnaire are reflected in the patient’s electronic clinical records. This system reduces the time at the clinic or doctor’s office for transcribing the answers to the records, streamlining the process from patient check-in to medical examination.

This service is also beneficial to patients: They have less waiting time since they have completed the questionnaire before the visit. And, the elimination of a paper questionnaire reduces their risk of contact infection.

2. About the “Online Medical Questionnaire Option”

The “Online Medical Questionnaire Option” is an optional plan offered to the clinics and doctor’s offices that subscribe to one of the following electricity rate plans of Osaka Gas: Base Plan B-G, A-G, B and A.

Subscribers to the “Online Medical Questionnaire Option” are entitled to use the Melp Online Medical Questionnaire without the initial installation cost. Moreover, they obtain the “Online Medical Questionnaire Discount,” a 2% discount on applicable electricity charges.
