

Osaka Gas Selected for Dow Jones Sustainability Indices Asia Pacific Index for 14th Consecutive Year

December 26, 2022
Osaka Gas Co., Ltd.

We are proud to have been selected as a component of the Asia/Pacific Index of the Dow Jones Sustainability Indices (DJSI) for the fourteenth consecutive year.

The DJSI is a leading global ESG investment index published by S&P Global in the U.S. S&P Global comprehensively evaluates companies from the three aspects of ESG, the environment, society, and governance/economy, and selects companies that excel in those aspects for the component of indices. The Asia Pacific Index consists of 156 companies, including two gas utilities, one of which is Osaka Gas, and other 73 Japanese companies.

We aim to achieve global ESG standards by contributing to resolving ESG-related issues through our business operations, which leads to our corporate value enhancement and sustainable growth. We also intend to contribute to realizing a sustainable society as a company that pursues ESG-focused management and strives to ensure transparency and accountability to stakeholders.

For further information on our ESG-focused management, please see the following:
