

**Changes to the basic gas terms and conditions and the electricity supply terms and conditions, etc. following the adoption of the FY2025 “Electricity and Gas Fee Burden Reduction Support Program”**

December 24, 2025  
Osaka Gas Co., Ltd.

Osaka Gas Co., Ltd. (President: Masataka Fujiwara, hereinafter, “the company”) has been selected by the government for the FY2025 “Electricity and Gas Fee Burden Reduction Support Program.” Accordingly, on January 1, 2026, the company will amend its basic gas terms and conditions<sup>\*1</sup> and electricity supply terms and conditions,<sup>\*2</sup> and will reduce gas and electricity fees for customers eligible under the government’s program for the period from the February 2026 meter reading (for January usage) to the April 2026 meter reading (for March usage).

Please note that no special action is required from customers regarding this change.

\*1 All supply conditions such as the basic gas terms and conditions

\*2 All supply conditions such as the electricity supply terms and conditions

#### 1. Discounts on gas and electricity fees

In order to reduce gas and electricity fees<sup>\*3</sup> based on the support unit price determined by the government’s FY2025 “Electricity and Gas Fee Burden Reduction Support Program,” the company will revise its calculation formulas for resource and fuel cost adjustments. Please refer to the attachment for specific changes.

\*3 The gas fee will be discounted by the minimum value exceeding the government-supported unit price, based on the calculation formula described in the basic gas terms and conditions. The electricity fee will be discounted by the government-supported unit price, based on the calculation formula described in the electricity supply terms and conditions.

[Regarding government-supported unit price] (tax included)

	February–March 2026 meter readings (For usage in January and February 2026)	April 2026 meter reading (For usage in March 2026)
Gas	18 yen/m <sup>3</sup>	6 yen/m <sup>3</sup>
Electricity (low voltage)	4.5 yen/kWh	1.5 yen/kWh
Electricity (high voltage)	2.3 yen/kWh	0.8 yen/kWh

\*For gas, customers with an annual contract volume of 10 million m<sup>3</sup> or more, or those involved in gas sales for power generation, are not eligible for the support. For electricity, special high-voltage customers are not eligible for the support.

#### 2. Applicable period

Gas and electricity fees from the February 2026 meter reading (for January usage) to the April 2026 meter reading (for March usage) will be eligible.

\*Please note that the usage period and meter reading date may differ from the above depending on your meter reading schedule.

\*The applicable period may vary depending on the customer. Please refer to the attached document for details.

\*The period may change due to adjustments to the government’s “Electricity and Gas Fee Burden Reduction Support Program.”
